

RFI for PREQUALIFICATION OF PARTNERS IN BUSINESS SECTOR, INCLUDING THE SDGs SEGMENT (COMPANIES/START UPS/INDIVIDUAL CONSULTANTS)

Telecom Foundation invites companies and Individuals to provide information for prequalification as partners on Telecom Foundation's pre-qualified panel for projects / Initiatives in the business sector, including segments that are part of the UN's Sustainable Development Goals. Given below is the selection criteria for assessing such requests and proposals with a view to placing them on a panel of prequalified business partners. This will enable Telecom Foundation to materialize opportunities in a transparent and fast manner by getting technical and financial/Commercial competitive proposals within the list of pre-qualified partners.

COMPANIES:

Information required

Applicable to local and international companies/organizations (With the international organizations not registered in Pakistan to submit the below information based on their international presence)

1. Firm registration and incorporation certifications.
2. NTN (Tax) certificate.
3. Valid ISO Certificate or Quality Assurance Manual / Quality Policy of the Company
4. Company financial statements (Audited Reports) for the last two fiscal years
5. List of authorized company Signatories/personnel (to be provided on official company letter head and stamp).
6. Company profile with number and percentage of graduate employees and list of all offices (Pakistan & International).
7. List of the Board members as well as senior management (C-Level) with each individual's experience area(s) and number of years of experience.
8. Signed Customer testimonials as evidence of experience.
9. Products and service categories list, marking the categories the company is able to provide.
10. All pages of the registration form & related documents must be signed and stamped by the authorized signatory.

Selection Criteria

1. Minimum 3 years of experience in proven projects and services in the business sectors.
2. Quality of experience in the business and / or its SDG related areas will be assessed.
3. Experience of having operated globally and/or internationally either by itself or in active collaboration will be an added advantage.
4. The firm must have adequate size, structure, quality staffing, facilities and financial standing to provide comprehensive services related to the business and / or its SDG related sectors development.

Terms & Conditions

1. Upon fulfilling of the pre-qualifying criteria and subsequently becoming a panelist, a company would retain its panel membership for 12 months (thereafter renewable upon performance review), provided that it has been confirmed as a member following a review of its performance in the first three project participation invitations (to be considered as probationary).
2. In light of desired performance or otherwise, Telecom Foundation reserves the right to terminate a panel member with a written notice in the confirmation status and no notice period in probationary status.
3. Following the signing of a written legal contract / agreement for a project(s), all related payments / financial transactions will be made net of taxes in Pakistan Rupees (PKR)
